## How to Cure a Cold.

Be careful as you may you will occasionally take cold, and when you do, get a medicine of known reliability, one that has an established reputation and that is certain to effect a quick cure. Such a medicine is Chamberlain's Cough Remedy. It has gained a world wide reputation by its remarkable cures of this most common ailment, and can always be depended upon. It acts on nature's plan, relieves the lungs, aids expectoration, opens the secretions and aids nature in restoring the system to a healthy condition. During the many years in which it has been in general use we have yet to learn of a single case of cold or attack of the grip having resulted in pneumonia when this remedy was used, which shows conclusively that it is a certain preventive of that dangerous disease. Chamberlain's Cough Remedy contains no opium or other narcotic and may be given as confidently to a baby as to an adult. For sale by Frank Hart and leading druggists.

## Colds and Croup in Children.

"My little girl is subject to colds," says Mrs. Wm. H. Serig, No. 41 Fifth St., Wheeling, W. Va. "Last winter she had a severe spell and a terrible cough but I cured her with Chamberlain's Cough Remedy without the aid of a doctor, and my little boy has been prevented many times from having the croup by the timely use of this syrup." This remedy is for sale by Frank Hart and leading druggists.

## CURE IT IN ONE DAY.

Coughs and Colds Disappear Like Magic When Hyomei is Used.  
If the thousands of people who suffer from hacking coughs and agonizing colds would arouse themselves sufficiently to follow this advice, they would cease to complain within 24 hours.  
Here is the advice, if you take it and you are afterwards sorry that you did, it won't cost you a penny.  
Go to T. F. Laurin, the druggist, and purchase from him a Hyomei (pronounced High-o-mei) outfit. It will only cost you \$1.00. Take it home; use it according to directions, and if it does not cure your cough or cold, take it back and T. F. Laurin will refund the purchase price.  
When you use Hyomei you don't swallow nauseating drugs. You simply breathe in the soothing, pleasant and antiseptic Hyomei air through the little pocket inhaler, that comes with each outfit. As this medicated air passes over the inflamed parts, relief comes almost at once, and cure follows.

## COMMISSION ON COUNTRY LIFE COMING WEST

WILL INVESTIGATE CONDITIONS OF RURAL LIFE WITH VIEW OF IMPROVING

## PUBLIC MEETING TO BE HELD

Efforts Will be Made to Secure the Attendance of Those Who Are Likely to be Helpful in Investigations.

WASHINGTON, Nov. 26.—The Commission on Country Life, appointed by President Roosevelt, will leave Washington on November 18 and will visit several educational centers of the West for the purpose of obtaining information on the condition of Western country life, whether anything needs to be done to improve it, and if so, what it may be. It is proposed to hold hearings at agricultural colleges so far as practicable as these institutions provide effective organizations for securing the attendance of persons who are well qualified to express an opinion on country life questions. In particular the Commission invites the attendance at these hearings of representative farmers, teachers, business men, physicians and others who live in the open country or have direct relations with it. Accredited delegates from granges, farmers' clubs or similar organizations as well as farmers and others who come on their own responsibility and who are likely to be helpful in the investigation will be welcome. The meetings will be public but are not held for the purpose of making speeches. Full and free discussions of the various problems affecting the life of the farmer, especially those relating to the larger economic, social and sanitary questions of the open country will form the basis for these hearings. As the Commission can meet only a short time at each place, a portion of the conference will be devoted to mapping out plans for further consideration and study of these questions, the results to be submitted at a later date for the use of the Commission.

The party will divide at Sacramento, several members will go north to hold hearings at Spokane December 4 and 5, and Bozeman December 6 and 7, reaching Omaha to hold joint sessions with the others during the Corn Exposition. The party will be in charge of C. J. Blanchard, Statistician, U. S. Reclamation Service, Washington, D. C.  
The itinerary of the Commission is as follows:  
Dallas, Texas, November 20-21; El Paso, Texas, November 22-23; Tucson, Arizona, November 24; Los Angeles, Cal., November 25-26; Fresno, Cal., November 27; San Francisco, Cal., November 28-29; Sacramento, Cal., November 30; Reno, Nevada, December 1; Salt Lake City, Utah, December 2, 3, 4; Denver, Colo., December 5-6; Fort Collins, Colo., December 7-8; Omaha, Neb., December 9-10; Minneapolis, Minn., December 11; Madison, Wisconsin, December 12; Champaign, Ill., December 14; Itasca, N. Y., December 16; Washington, D. C., December 17.  
Second Party Northbound. Leave Sacramento December 1, or November 30th; Portland, Oregon, December 2; Spokane, Wash., December 4; 5; Bozeman, Mont., December 6 and 7; Omaha, Neb., December 9 and 10.

writes: "I cannot speak too much in praise of your Hyomei treatment for catarrh. I have been using your remedy for about two weeks, and I have found more relief in that than anything that I have ever tried. I have spent dollar after dollar getting medicine of the doctor for a troublesome cough which I had, and have tried all kinds of cough syrups and cough tablets, and Hyomei is the only remedy that reached the spot. I had given up in despair, but I feel so much better now that I feel as though I have a new lease on my life."  
Hyomei is also guaranteed by T. F. Laurin to cure catarrh, croup, grip and asthma and all diseases of the nose and throat.
